

## CORREZIONE GUIDATA (LEGGI TUTTO PAWAN)

Overall, Pawan you have a good grasp of the basic structure of the **Present Continuous** (*Subject + verb to be + verb-ing*). However, you struggles with:

1. **Reading instructions carefully** (omitted time expressions in Page 5).
2. **Spelling** (many typos like *cuosin*, *leasing*, *afternoor*).
3. **Capitalization** (always writing "i" instead of "I", days of the week in lowercase).
4. **Conjugation of "to be"** (using *are* for *He*).

Here is the section-by-section correction.

---

### PAGE 1 – Completamento Base (Affirmative)

*Most answers are correct! Good job on the -ing forms.*

- 7. He 're starting ✗
    - **Correction:** He **'s** starting / He **is** starting
    - **Explanation:** The subject is *He* (singular), so the verb is *is*, not *are*.
  - 10. The class are coming ✗
    - **Correction:** The class is **watching**
    - **Explanation:**
      1. The verb in parentheses was **(watch)**, but Pawan wrote *coming*.
      2. "Class" usually takes the singular *is* (though *are* is accepted in British English), but the main error is the wrong verb.
-

## PAGE 2 – Forma Negativa

*Excellent work here. Almost all correct.*

- 2. She \_\_\_\_\_ (Blank) ✗
    - **Correction:** She **isn't participating**
    - **Explanation:** He skipped this question.
- 

## PAGE 3 – Forma Interrogativa

*Pawan understands the word order (Verb + Subject), but there are many spelling errors.*

- 1. is she visiting her cuosin ✗
    - **Correction:** Is she visiting her **cousin**?
    - **Explanation:** Spelling error (*cousin*) and missing question mark.
  - 2. are they leasing at 7 AM ✗
    - **Correction:** Are they **leaving** at 7 AM?
    - **Explanation:** The verb is *leave*. *Leasing* means renting a car/apartment.
  - 3. ...this afternoor ✗
    - **Correction:** ...this **afternoon**?
    - **Explanation:** Spelling error.
  - 4. is he starting his course next ✗
    - **Correction:** ...next **Monday**?
    - **Explanation:** He forgot to finish the sentence found in the prompt.
  - 7. are yuor parents... ✗
    - **Correction:** Are **your** parents...
    - **Explanation:** Spelling of "your".
  - 8. is she flying to London next ✗
    - **Correction:** ...next **month**?
    - **Explanation:** Incomplete sentence.
- 

## PAGE 4 – Trasformazione Completa

- 2a. weeked ✗ -> **weekend** (Spelling).
  - 3a. ashe ✗ -> **She** (Typo).
  - 3b. (Blank) ✗ -> **Is she speaking with the principal this afternoon?**
  - 4a. presentation ✗ -> **presentation** (Spelling).
  - 5b. ...next ✗ -> **next week** (Incomplete).
- 

## PAGE 5 – Completamento con Espressioni Temporal

**MAJOR ERROR HERE:** The instruction said: "*Complete with present continuous AND add a future time expression.*"

Pawan conjugated the verbs correctly but **forgot to add the time expressions** (like *tomorrow, next week, tonight*) for almost all sentences.

- 3. He is attending ✗
    - **Correction:** He **isn't attending**
    - **Explanation:** The prompt was (not attend), but he wrote the affirmative.
  - 10. My parents're celebrating ✗
    - **Correction:** My parents **are celebrating**
    - **Explanation:** "Parents're" is not standard writing (better to write "parents are"). Also, *celebrating* (spelling).
- 

## PAGE 6 – Traduzione (Italiano -> Inglese)

- 1. tomorrow i'm meeting the president ✗
  - **Correction:** Tomorrow **I'm** meeting the **headmaster / principal**.
  - **Explanation:** "Preside" in a school is a Headmaster or Principal. "President" is for a country. Always capitalize "I".
- 2. maths test -> a math test (Missing article).
- 3. this evering ✗ -> **evening** (Spelling).
- 4. starting a new ✗ -> **starting a new course** (Incomplete).
- 5. we're leaving at 5 this afternoon ✗
  - **Correction:** We're leaving at 5 **in the morning**.

- **Explanation:** The Italian said "di mattina".
  - **6. we're studying with me** ✗
    - **Correction:** **Are you** studying with me?
    - **Explanation:** The Italian was a question "Stai studiando...?" (Are you...). Pawan wrote "We're studying" (Affirmative "Noi stiamo").
  - **7. i mine parents** ✗ -> **My** parents.
  - **10. i'm doing a interogation the english** ✗
    - **Correction:** I'm **having** an **English oral test**.
    - **Explanation:** "Interrogation" is used by police! In school, it is an "oral test".
- 

## PAGE 7 – Dialoghi Guidati

- **Dialogue 1: I 'm sees** ✗
    - **Correction:** I 'm **seeing** / I am seeing.
    - **Explanation:** After *am*, you must use *-ing*.
  - **Other dialogues:** Good work.
- 

## PAGE 8 – Vero o Falso + Correzione

- **1. I am playing football every day. -> Pawan marked V (True).** ✗
    - **Correction:** **F** (False).
    - **Explanation:** "Every day" indicates a routine, so we use **Present Simple** (*I play football every day*), not Continuous.
  - **3. They are studying now... -> Pawan marked V.**
    - **Note:** This is tricky. Grammatically correct, but if the topic is "Future", strictly speaking "now" is present. However, I would let this pass for a middle schooler.
- 

## PAGE 9 – Produzione Scritta Guidata

- **3. your best friend come your house -> He wrote: your best friend are coming are your** ✗

- **Correction:** Your best friend **is coming to your** house.
  - **Explanation:** Friend is singular (is). The rest is confused.
  - 4. you family ✗ -> **Your** family.
  - 7. you studying ✗ -> You **are** studying. (Missing auxiliary verb).
  - 8. you are celebrate ✗ -> You are **celebrating**. (Missing -ing).
- 

## PAGE 10 – Task Finale (The Text)

Pawan tried hard here, but grammar breaks down.

3. **Instruction Words:** Always check if the instructions say "Add a time expression" or "Make it negative".
4. **Capital Letters:** Always write "I" (Io), not "i". Always capitalize Monday, Tuesday, etc.

**Grade Estimate:** ~5/10
